SCHEDULE NOTES

NU will face a challenging schedule that features nine of the top-25 team finishers from last year's NCAA Championships. The home schedule is highlighted by matchups against top-25 finishers Arizona State, Northwestern, Minnesota, Wisconsin and Rutgers. North Dakota State will also travel to the Devaney Center for the regular-season opener on Nov. 4. The Bison finished 34th at the NCAA Championships.

Nebraska faces a grueling road schedule this season with a notable trip to the 2021 national champion Iowa. Early in the season, NU takes a road trip to Army and NC State. The Wolfpack, who the Huskers face on Nov. 12, finished 10th at last year's NCAA Championships. Other road duals for NU include matchups against Navy, South Dakota State, Purdue and Ohio State.

As for tournament action, NU will travel to the Cliff Keen Las Vegas Collegiate Wrestling Invitational Dec. 2-3. The Big Ten Championships will take place March 4-5 in Ann Arbor, Mich., where the Huskers will look to improve on last season's seventh-place finish. The NCAA Championships are set from March 16-18 in Tulsa, Okla.

Mikey Labriola wrestles Mark Hall of Penn State in front of a record-breaking crowd of 5,960 fans at the Devaney Center on Jan. 24, 2020.

THIS IS NEBRASKA

The Nebraska wrestling program continues its excellence both on and off the mat. Coach Mark Manning has continued a tradition of success in his 22 years at the helm of the Huskers. With hard work and a dedication to excellence, Manning has developed a program that consistently competes with the nation's best in collegiate wrestling.

Since its inaugural season in 1910-11, Nebraska has earned more than 700 dual victories, including 270 wins under Manning. Over the past 22 years, the Huskers have finished in the top 10 at the NCAA Championships 11 times and racked up 66 All-America honors, including five individual national titles. In the classroom, NU wrestlers have earned 60 NWCA All-Academic Team selections en route to seven CoSIDA Academic All-America awards.

One reason NU has been able to develop such a successful program is its top-notch facilities. In the fall of 2011, the Husker wrestling program moved into the state-of-the-art Hendricks Training Complex, which provides three full-sized practice mats, office suites and areas for both strength and conditioning and athletic medicine. The Hendricks Complex is attached to the Devaney Center, which hosts the majority of Nebraska's duals this season. With a wealth of support and a history of success, Nebraska wrestling expects to contend for conference and national championships every year.

Above: The Nebraska wrestling program has been built on the strong support of coaches and wrestlers, including (from left): Coach Mark Manning, who has guided the Huskers to a 270-102-3 record since 2000; World Silver Medalist James Green, a four-time All-American from 2012-15 at 157 pounds at Nebraska; and Olympic Gold Medalist and six-time World Champion Jordan Burroughs, who won two NCAA Championships at Nebraska, first in 2009 at 157 pounds and then in 2011 at 165.

Right: The 2008-09 Nebraska wrestling squad added to the Huskers' achievements by claiming a share of the Big 12 championship and finishing fourth at the NCAA Championships. The 2009 Big 12 team championship was Nebraska's ninth in its history, while the Big Red have also had 63 individual conference champions.

SUCCESS BEYOND WRESTLING

Nebraska coaches have always guided young men toward success on the mat while also teaching them to find success in life, and Mark Manning continues that with his coaching philosophies. Manning has helped young men grow into upstanding adults by teaching athletes that the values they learn on the mat can be transferred into their personal lives. Bryan Snyder (right) earned his Ph.D. in sociology after becoming NU's first four-time All-American. Snyder is now associate head coach for the Huskers.

"Wrestling presents a lot of challenges, but also the ability to work through those challenges. Wrestling builds good character and good work ethic and I definitely built that at Nebraska."
- Bryan Snyder, Nebraska Wrestling Associate Head Coach

The Scherr brothers were both national champions at Nebraska in 1984, before continuing their prosperity on the mat into their personal lives. Bill (above left) earned the collegiate title at 190 pounds and went on to win five medals in the Olympics and FILA World Championships before turning his attention to a professional career. He now serves as the vice president of a global investment banking and securities firm.

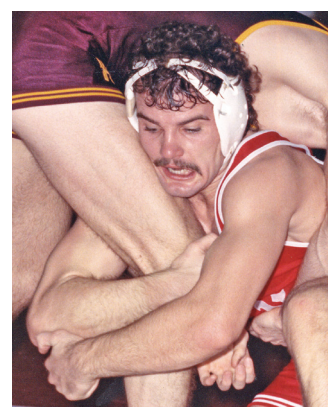

"Wrestling teaches you valuable life lessons like self-discipline and perseverance. It gives you a sense of pride and accomplishment. All of those translate into any sort of career you would want to pursue." - Bill Scherr, 1984 NCAA Champion

Jim (above right) won the national title at 177 pounds with a victory over Iowa's Duane Goldman and also continued his wrestling career onto the international stage. Jim claimed three medals between the Olympics and FILA World Championships and continued his involvement with the Olympics through 2008.

"[Nebraska] has a good core of dedicated faculty with great academic support in place. The sports department has tremendous personnel and resources. Nebraska was a great experience from both ends of the spectrum, athletically and academically." - Jim Scherr, 1984 NCAA Champion

"All of the greatest things in my life past and present, big and small, can be attributed to wrestling and everything that came with wrestling at Nebraska."

Most recently, Jordan Burroughs competed at the 2022 World Championships in Belgrade, Serbia. Burroughs earned the gold medal at 79 kg, which made him the most decorated champion in U.S. wrestling history with a freestyle record of seven World and Olympic Championships combined. Prior to the 2021 World Championships, Burroughs and James Green also helped the United States to its first World Cup title since 2003, going a combined 7-1 at the 2018 UWW Freestyle World Cup in Iowa City, Iowa, for a Team USA that also featured former Nebraska Assistant Coach Kendric Maple.

BOB DEVANEY SPORTS CENTER

Nebraska Wrestling has hosted nearly all of its home duals at the Bob Devaney Sports Center since moving into the masterfully renovated facility from the NU Coliseum in 2013-14.

The Huskers ranked 12th nationally in home attendance during the 2019-20 season according to The Open Mat with an average of 2,396 fans over seven home duals. The Huskers attracted a total of 16,776 fans over the course of seven duals, including a season-high 5,960 fans in the dual against Penn State on Jan. 24, 2020. The dual also marked the second-straight season Nebraska set a home attendance record.

In addition to hosting duals, the Devaney Center and Hendricks Training Complex house the wrestling offices, locker room, weight room, wrestling room and athletic areas all just steps from each other, providing an atmosphere conducive to elite training.

Top: The Devaney Center has received more than \$20 million in renovations to make the nearly 8,000-seat arena one of the best home atmospheres in the nation.

Middle: The Devaney Center hosted the 2017 USA Wrestling World Team Trials in June, as the nation's best wrestlers competed for a spot on the U.S. National Team.

Bottom: Opened in the fall of 2011, the Hendricks Training Complex is home to the wrestling team, along with the men's and women's basketball squads.

HENDRICKS TRAINING COMPLEX

The Nebraska wrestling program experienced some major facility improvements in the fall of 2011, starting with the addition of the Hendricks Training Complex.

The Hendricks Training Complex provides three full-sized practice mats, office suites and areas for both strength and conditioning and athletic medicine attached to the Bob Devaney Sports Center. The facility was completed in October of 2011.

Top: The Husker wrestling locker room features 40 custom-made lockers with back-lit displays.

Middle: The Hendricks Complex features a 5,000-square foot strength complex, that includes five Transformers, which are unique to Nebraska. The Transformers are fully automated, which helps student-athletes reach optimal training.

Bottom: The Nebraska wrestling room has three mats, an athletic medicine area and a cardio area adjacent to the mats.

ACADEMIC COUNSELING

Eight academic counselors, three learning specialists, two assistant academic counselors and one administrative assistant are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor eligibility and progress toward graduation.

TUTORIAL SUPPORT

A tremendous resource for all academic abilities, unlimited tutorial support from approximately 75-100 tutors on staff is available from day one up to college graduation in all subject areas. Tutorial support is provided both in-person and virtually. Nebraska's tutorial program is certified as a model tutoring program by the College Reading and Learning Association.

STUDY HALL

Student-athletes attend a supervised, flex-time study hall within the Herman Student Life Complex that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. Additional performance-based or tutor-based study hall also may be determined by the academic counselor.

MENTORING

Academic staff serve as mentors to all incoming student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS

Assessments are administered upon the request of the student-athlete, academic counselor, or coach. Learning specialists are available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a consulting neuropsychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION

Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators, and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

COMPUTER RESOURCES

All student-athletes are provided the opportunity to have a laptop for use during their academic career at Nebraska. The Herman Student Life Complex has printers and desktop computers available for student-athletes to use in the facility.

MARK MANNING

HEAD COACH | 23RD SEASON

With more than 100 years of history, Nebraska wrestling is one of the most storied programs in the collegiate wrestling ranks. Head Coach Mark Manning has taken the Huskers to new heights during his tenure and has established himself as one of the top wrestling coaches in the nation.

The NU record book is a testament to Manning's accomplishments in Lincoln. In his 22 years at the helm, he has coached 66 of Nebraska's 125 All-Americans. He has led the Huskers to seven top-eight finishes at the NCAA Championships, compared to just eight for the 14 NU coaches before him. He became the winningest coach in school history on Feb. 21, 2015 when he picked up his 200th win at Nebraska. He won back-to-back Big 12 Coach-of-the-Year awards (2008, 2009) after guiding Nebraska to a share of the conference crown in 2009 and a runner-up finish in 2008. Manning has also guided four wrestlers to five individual NCAA championships.

Manning earned one of the top coaching honors in the entire sport when he was named the 2011 FILA Freestyle Coach of the Year by USA Wrestling after helping Jordan Burroughs capture the gold medal at the World Championships in Istanbul, Turkey. In 2015, Manning received the honor for a second time, as Burroughs earned another world title and a spot on the U.S. Olympic Team. Burroughs reached the pinnacle of the sport, earning Olympic gold in 2012, while winning world titles in 2011, 2013, 2015, 2017, 2021 and 2022 with Manning in his corner. Manning has also overseen the growth of James Green, who earned world bronze in 2015 and silver in 2017. Manning and Nebraska Associate Head Coach Bryan Snyder were honored as the Terry McCann Award winners as USA Wrestling's Freestyle Co-Coaches of the Year in 2017 for their accomplishments.

Records go on paper and in books and get tucked away. More important to Manning is the fact that he has helped numerous young men grow into upstanding adults by teaching them the correct principles of life. Regarded as one of the nation's top recruiters, Manning has a keen eye for finding the athletes with the right work ethic and dedication that he can develop.

Manning's coaching philosophy is one that he began during his competitive days, developed during his time as an assistant coach and continues to modify during his time as head coach at Nebraska. It focuses on developing wrestlers to reach their potential. A wrestler who brings a positive attitude and work ethic to the room can use goal setting and responsibility to develop into an upstanding citizen who is committed to excellence. Manning works daily with the team on every detail in and out of practice, while keeping in mind the best long-term interests of his student-athletes.

Known for his fiery nature on the edge of the mat, Manning instills in his wrestlers a sense of determination and pride through his actions and demeanor. His guidance teaches his athletes to become winners in life, which translates into success in the classroom, on the mat and in their lives beyond wrestling.

In addition to their success on the mat, Husker wrestlers under Manning have earned 116 academic all-conference selections, including 87 Academic All-Big Ten awards during Nebraska's first nine seasons in the conference. In 2012, Nebraska turned in the nation's best team grade-point average (3.46). Manning's beliefs and values in developing student-athletes are evident right outside his office, where Snyder, a former Husker All-American, is a member of

MANNING'S MARK AT NEBRASKA

Manning began teaching his methods immediately when he was hired at Nebraska in May of 2000. His efforts first paid dividends when he led Nebraska to back-to-back eighth-place team finishes at the NCAA Championships in 2001 and 2002. Four Huskers (Snyder, Todd Beckerman, Ati Conner and Brad Vering) claimed All-America honors in Manning's first year coaching the Huskers in 2000-01, as NU finished with an 11-6 dual record. Powell and Snyder also gave Manning his first two Big 12 Conference champions that year.

During the 2001-02 season, Manning led the Huskers to their third consecutive third-place finish at the Big 12 Championships. Justin Ruiz and Powell earned their first All-America accolades under Manning, while Snyder became Nebraska's first four-time All-American with his second-place finish at 157 pounds.

Nebraska claimed a 16-7 dual record in 2002-03, as Manning guided NU to seven victories over ranked opponents, including a 20-17 victory over fifth-ranked Illinois at the Virginia Duals. At the 2003 NCAA Championships, Manning led a young lineup that included two juniors, five sophomores and three redshirt freshmen to a 13th-place showing. The finish marked the eighth time in nine seasons that NU had claimed a spot in the top 15 in the nation.

The 2003-04 Huskers and Manning posted one of the best wrestling seasons ever at NU with a 19-3 overall record, tying the second-highest win total in NU history. The Huskers posted two team titles during the season, winning the prestigious Las Vegas Invitational behind individual titles from Powell, Travis Shufelt and Travis Pascoe and winning the Virginia Duals with a 25-13 victory over Lehigh in the finals. Manning directed the Huskers to second at the Big 12 Championships, while qualifying eight wrestlers for the NCAA Tournament, where NU earned a fifth-place finish. Manning coached his first national champion at Nebraska, as Powell claimed the title at 125 pounds with a 17-2 technical fall in the finals.

The Huskers' success continued in 2004-05, with Nebraska winning 19 duals for the second straight year. NU's 19-2-1 dual record was the second-best mark in school history. The Huskers started the campaign with eight straight dual wins, and ended the season by winning 12 of the last 13 duals. Nebraska posted eight wins over ranked foes, including a 16-15 upset of No. 2 Iowa State to end the dual season.

Manning's 2005-06 squad was relatively inexperienced, but the Huskers earned a solid 12-5 dual record and a third-place finish at the National Duals. NU claimed third at the Big 12 Championships and two Huskers went on to finish as All-Americans. Manning's legacy continued to grow in 2006-07, as he watched his second Husker claim a national title. Paul Donahoe earned the crown at 125 pounds after helping Nebraska to a 10-7-1 dual record.

The 2007-08 Husker campaign was one of the best ever under Manning. NU finished second at the Big 12 Championships with three individual champions and claimed fourth at the NCAA Championships with five Huskers finishing as All-Americans. That success would no doubt be a challenge to match, but the 2008-09 Nebraska wrestling team did just that. The Huskers won a share of the Big 12 championship for the first time in school history behind individual titles from Burroughs, Brandon Browne, Craig Brester and Vince Jones. Seven NU wrestlers qualified for the NCAA Championships, where the Huskers finished fourth with All-America accolades going to Burroughs (1st at 157), Brester (2nd at 197), Browne (4th at 174) and Jones (6th at 184). For his work with the 2009 squad, Manning was named Dan Gable Coach of the Year by WIN Magazine.

In 2010, Nebraska fought through a rash of injuries, including a season-ending setback to Burroughs. Despite the unfortunate luck, the Huskers still qualified five wrestlers for the NCAA Championships and finished 12th in the team standings, marking the seventh top-15 finish under Manning.

History was made in 2011, when Manning helped Burroughs become the first two-time national champion in school history by winning the

165-pound title at the NCAA Championships in Philadelphia, Pa. After the season, Burroughs was awarded the school's first-ever Hodge Trophy, given annually to the nation's top wrestler. As a team, the Huskers qualified seven total wrestlers for the national tournament and finished in 12th place for the second consecutive season.

In 2011-12, the Huskers finished 21st at the NCAA Championships as two wrestlers (Josh Ihnen and James Green) earned All-America accolades. Senior Tucker Lane also became the 20th member of Nebraska's 100-win club.

In 2012-13, Robert Kokesh led Nebraska with a 38-4 record and a third-place finish at the NCAA Championships at 174 pounds. Green captured his second consecutive All-America honor at 157 pounds to help NU to a 13th-place finish. Ihnen fell one match short of All-America status but picked up his 100th collegiate win at the national tournament. He also earned CoSIDA Academic All-America honors, and helped the Huskers to an 11-6 dual record.

Green and Kokesh repeated as All-Americans in 2014, as Green took third at 157 pounds and Kokesh earned a fourth-place finish at 174. The pair also took home Big Ten titles, becoming the first Husker champions in three seasons as members of the conference. The Huskers returned to the newly renovated Devaney Center for all of their home duals after years of wrestling at the NU Coliseum. NU finished the dual season with a 12-2 record before finishing 11th at the NCAA Championships.

In 2014-15, the Huskers notched a ninth-place finish at the NCAA Championships, marking the 19th top-10 result in school history and first since 2009. Kokesh and Green each collected third-place finishes, while TJ Dudley earned his first All-America honor with an eighth-place showing at 184 pounds. During the dual season, NU set a school record for winning percentage (.933) after a 14-1 season, which included a tie for second in the Big Ten dual standings.

Dudley repeated as an All-American in 2015-16, this time making it to the NCAA Finals at 184 pounds. His runner-up finish led the team, which produced two additional All-Americans, Eric Montoya and Austin Wilson. As a team, NU finished eighth at the NCAA Championships and fourth at the Big Ten Championships. For the first time since 1995, NU qualified all 10 wrestlers for the national tournament. The Huskers posted an 11-6 record overall, going 5-4 in Big Ten duals.

The Huskers had four All-Americans to finish ninth as a team at the 2017 NCAA Championships. Dudley finished third to capture his third All-America honor. Montoya took sixth to finish his career as a two-time All-American. Aaron Studebaker and Tyler Berger each made the podium for the first time. Nebraska finished fourth at the Big Ten Championships after going 12-4 during the dual season.

Nebraska posted another top-10 finish at the NCAA Championships in 2018, as the Huskers placed ninth with three All-Americans. Berger earned his second All-America honor, as he finished third, while Taylor Venz and Chad Red Jr. became the first pair of freshmen to earn All-America honors for NU in the same season, as Venz placed fourth and Red took seventh. The Huskers went 10-4 on the dual season and placed fifth at the Big Ten Championships after returning just two starters from the 2017 team.

The Huskers stretched their streak of top-10 NCAA finishes to five in 2019. The Huskers placed 10th with four All-Americans. Tyler Berger earned his third All-America honor with a runner-up finish at the NCAA Championships. Red earned All-America honors for the second consecutive season with

NEBRASKA WRESTLING PHILOSOPHY

Guided by the following philosophy, the Nebraska wrestling program creates an environment in which student-athletes can reach their potential, both as wrestlers and as young men.

Attitude: Winners accept constructive criticism knowing it will make them better. Positive words and actions produce positive results.

Work Ethic: There is no substitute for hard work. Worthwhile things come from hard work and believing that you deserve to win.

Goal Setting: Individually, have a road map to reach your goals and the discipline to stick to your plan. Remember that the drive and determination in your daily activities will bring about success.

Responsibility: Anyone can make excuses; you must be responsible for your actions and learn to make proper choices in your academic work, athletic endeavors and in your personal life.

Citizenship: Each team member is expected to represent themselves, their family, university, teammates, coaches and community in a first-class manner.

Commitment to Excellence: Demonstration of total effort and concentration whereby each team member gives their absolute best during practice, competition and in the classroom, regardless of result.

"I coach to help young men prepare for life. It is my job to create a positive environment in order for each of our athletes to perform at his highest level. When the correct principles are taught, winning will take care of itself."

The 2019-20 campaign featured incredible highs and difficult-to-fathom lows. The early portion of the season saw the Huskers climb as high as No. 2 in the NWCA Division I Coaches Poll, tying the highest ranking in program history. NU capped a remarkable two-day run in Las Vegas by winning its third Cliff Keen Invitational team title in program history. The team showed incredible resilience, rebounding from a three-meet losing streak (all against Top 10-opponents) to defeat No. 3 Ohio State at the Devaney Center, the program's first win over a Top-three team since 2008. The Huskers ultimately ended the regular season on a six-match winning streak and carried that positive momentum to the Big Ten Championships, where the Big Red placed second, the program's best finish as a member of the Big Ten Conference. NU qualified all 10 starters for the NCAA Championships but none of them had the chance to take the mat in Minneapolis as the tournament was canceled due to concerns regarding the spread of the coronavirus. All told, the Huskers finished the season 11-3, marking Coach Manning's 10th consecutive 10-win campaign and the 18th time in 20 seasons Manning's Huskers amassed at least 10 victories.

THE ROAD TO LINCOLN

Manning showed his ability to develop a top-notch program was universal, as he led a turnaround in the tradition-rich Northern Iowa program in his first head coaching position. Manning coached three seasons for the Panthers from 1997 to 2000 in Cedar Falls. Under Manning, UNI compiled a 23-24-2 dual record and improved its mark in each of his three seasons. His rebuilding effort with the Panthers included strong showings at the NCAA Championships. Northern Iowa tied for 30th in Manning's first year, but improved to a 17th-place showing in 1998 and added an 11th-place finish at nationals, which was the school's best showing in seven seasons.

Individually, several UNI wrestlers excelled on the national stage under Manning. In each of his last two seasons, the Panthers had a pair of All-Americans, including Tony Davis. A two-time NCAA finalist, Davis was the national champion at 149 pounds in 2000 and finished second in 1999.

Manning returned the Northern Iowa program to national prominence by attracting some of the nation's top wrestling talent. His first Panther recruiting class was ranked second in the nation, while his second class was tabbed as the top class in the country

in 2000.

Before his appointment as the head coach at UNI, Manning had extensive experience as an assistant coach, including ties to the Big 12 Conference. Manning spent four seasons on Jack Spates' staff at Oklahoma from 1993 to 1997 before accepting Northern Iowa's head position. Manning helped guide the Sooners to three top-10 team finishes at the NCAA Championships during his tenure, including a seventh-place showing at the 1997 national tournament. He assisted in coaching 14 OU wrestlers to All-America accolades, and five Sooners to the NCAA finals. John Kading also claimed the 1996 190-pound title under him. Manning aided in the recruitment of three top-five national recruiting classes while in Norman.

Manning began his coaching career as an assistant at North Carolina from 1985 to 1993. While pursuing his master's degree in sports administration, Manning assisted Coach Bill Lam in guiding 15 Tar Heel wrestlers to All-America honors, including four NCAA finalists and a pair of national champions. UNC posted top-10 NCAA finishes in 1986, 1987 and 1993 with Manning on staff, and captured four Atlantic Coast Conference titles. He also helped attract the nation's top recruiting class to Chapel Hill, N.C., in the spring of 1990.

In addition to his extensive collegiate coaching experience, Manning has been selected numerous times to coach the United States in international competition. He has coached on U.S. Olympic teams as an assistant in 1996, 2000, 2012 and 2016, while also being named the head coach at U.S. Olympic Festivals in 1991, 1993 and 1995. Manning was chosen to head the U.S. freestyle team at the 2001 FILA World Championships and was an assistant on the U.S. delegation to the FILA World Championships eight times. He has also been active at the FILA Junior level, serving as the head coach twice, and traveling to the 2008 FILA Junior World Championships in Turkey as an assistant coach, where he coached Burroughs to a 10th-place finish. In 2009, Manning was a coach for the U.S. Freestyle World Team at the World Wrestling Championships in Herning, Denmark.

MOLDING MANNING

Manning had plenty of experience to build his coaching philosophies, as he was one of the top wrestlers in the nation during his competitive career. Manning wrestled collegiately at Nebraska for one year, before transferring to the University of Nebraska-Omaha. After redshirting a season, Manning went on to become a two-time NCAA Division II national champion and three-time All-American under Coach Mike Denney. Manning posted a 121-23 record for the Mavericks, while capturing titles at 150 pounds in 1983 and 1985. Manning helped UNO earn a third-place team finish in 1983 and runner-up honors in 1985. While competing for the Mavericks, he was the leader of UNO's chapter of Fellowship of Christian Athletes for four years. Manning was inducted into the NCAA Division II Hall of Fame for his accomplishments as a wrestler and coach in 1999.

Manning's competitive career also extended beyond the collegiate ranks. He was a member of the U.S. freestyle team from 1986 to 1989. He won a silver medal at the 1989 Pan American Games.

The Vermillion, S.D., native received his bachelor's degree in physical education from Nebraska-Omaha in 1985, with a specialization in exercise science. Manning was the recipient of an NCAA postgraduate scholarship

Bryan Snyder enters his 13th season as a coach for the Nebraska wrestling program and his ninth season as associate head coach in 2022-23. Since returning to the NU staff in 2011, Snyder has helped turn Nebraska's middle weight classes into national powers, as Huskers at the weight classes of 157, 165, 174 and 184 have earned a total of 28 All-America honors since 2011.

Snyder was the 2017 Terry McCann Award winner as USA Wrestling's Freestyle Co-Coach of the Year, and serves alongside Nebraska Head Coach Mark Manning as personal coaches for Jordan Burroughs and James Green, in addition to his duties with the NU wrestling team.

From 2011-12 to 2021-22, Snyder has assisted in helping the Huskers rack up 38 All-America honors. Green earned All-America accolades four times, while Robert Kokesh and TJ Dudley each ended their careers as three-time All-Americans. Green and Kokesh also collected the first two Big Ten titles in school history in 2014, and Kokesh added a second one in 2015.

In 2019-20, Snyder helped Nebraska to a second-place finish at the Big Ten Championships, the team's best finish at the event. A program-high eight Huskers garnered All-America honors, including Chad Red Jr. earning his third honor and Taylor Venz, Isaiah White and Mikey Labriola picking up their second awards.

In his first season at NU as a coach, Snyder played a key role in helping Burroughs win his second national championship with a perfect 36-0 record. Snyder also helped Burroughs win the 2011 74-kilogram freestyle World Championship in Istanbul, Turkey, becoming the first U.S. wrestler to win a freestyle title since 2006. Additionally, Snyder helped Burroughs win the freestyle gold medal at the 2012 London Olympics as well as the 2013 and 2015 FILA World Championships. Burroughs also represented the United States in the 2016 Olympic Games in Rio. Most recently, Snyder helped Burroughs to gold at the 2021 World Championships. He also helped Green to bronze at the 2015 World Championships and silver at the 2017 World Championships.

Snyder began his coaching experience as an assistant at Harvard in 2002-03, while returning to the Husker wrestling program as a graduate assistant coach for two seasons (2003-04 and 2004-05), as NU went 38-5-1 in duals and finished fifth at the 2004 NCAA Championships. He helped coach eight All-Americans at NU during that time.

Snyder graduated from Nebraska with a bachelor's degree in sociology and communication studies in 2002. He earned a Master of Arts in 2005 before earning a Ph.D. in 2012.

A member of Nebraska's 100-win club, he claimed All-America accolades and a Big 12 championship all four years, while finishing as the NCAA runner-up at 157 pounds in 2001 and 2002.

He amassed more than 30 wins in a season three times, including his 43-3 record as a sophomore that stands as the second-best single-season mark in school history. A four-time NWCA All-Academic selection, Snyder was named the 2002 Nebraska Male Student-Athlete of the Year and was also a four-time first-team academic All-Big 12 selection.

NEBRASKA'S COACHING HISTORY

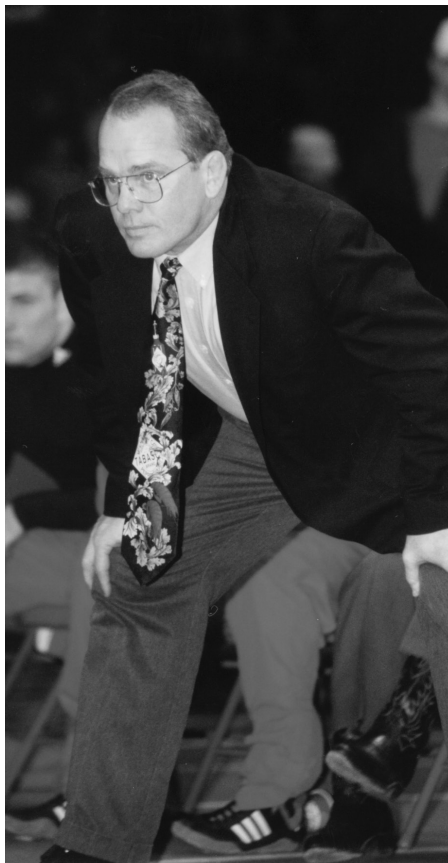

Nebraska has had only 16 head coaches in 100 years of wrestling history, including current Husker coach Mark Manning. Combining for 737 dual wins, NU coaches have always set a standard of excellence in the wrestling community. Dr. R.G. Clapp was the Huskers' first wrestling coach and led the team for 11 years before moving on to promote wrestling with the National Wrestling Coaches Association. Jerry Adam coached Nebraska for the majority of the 1930's and 1940's, before giving way to B.R. Patterson.

Orval Borgialli headed the Huskers for 14 years from 1964 to 1978, amassing 72 dual wins, and Bob Fehrs took over the team until 1985. Fehrs finished with a .648 dual-winning percentage with 95 career dual wins at Nebraska. Tim Neumann racked up 199 dual victories from 1985 to 2000 before Manning took over. Manning has amassed a 270-102-3 mark in Lincoln and is the winningest coach in program history.

Bob Fehrs patrolled the mat for the Huskers from 1978 to 1985, racking up 95 dual wins and coaching 11 Nebraska wrestlers to All-America honors.

Tim Neumann coached Nebraska from 1985 to 2000, producing five top-10 finishes at the NCAA Championships, 40 Husker All-Americans and four NU national champions.

DR. R.G. CLAPP
NEBRASKA'S FIRST HEAD COACH (1911-26)

Nebraska's first wrestling coach, Dr. Raymond G. Clapp (1911-26), was more than just a mentor for the first athletes who enjoyed the sport at the university. He was a prominent figure locally and internationally in the world of wrestling.

In the 1890s, Clapp distinguished himself as an all-around athlete while a student at Williston Seminary and at Yale University, starring in football, track, gymnastics and tennis.

It was as a track athlete at Yale that he rose to national and world prominence. Clapp won the IC4A pole vault title twice, annexed the national A.A.U. championship, earned a Canadian title and in 1898, he topped all performances to set a then-world mark in the vault of nearly 12 feet.

Dr. Clapp's interest and ability in gymnastics probably were more responsible than any other one thing in creating his great interest in collegiate wrestling. In addition to his many athletic distinctions, Clapp was crowned the all-around individual gymnastics champion of the Eastern Intercollegiate Association in 1889.

As a member and eventual chairman of the NCAA Wrestling Rules Committee, Clapp was largely responsible for the efficient organization of collegiate wrestling tournaments in the 1930s and 1940s. Clapp pioneered the system that is used to run many of the meets that take place even today.

While Ed Gallagher was building wrestling popularity in the Southwest, and Charlie Mayser was doing likewise in the East and Midwest, Dr. Clapp initiated college wrestling at the University of Nebraska in the earliest days of the sport, serving as head coach from 1911 to 1926.

Known widely as a leader in the promotion of collegiate wrestling, Clapp served in the administrative branch of the National Collegiate Wrestling Association for numerous years.

In 1932 and 1936, Clapp was secretary of the American Olympic Wrestling Committee and in 1940 was elected chairman of the committee. As chairman of the USA-Pan American Wrestling Committee and the committee representative to the 1942 Pan-American Games Committee, Clapp became increasingly prominent in the wrestling community.

For over 30 years, Clapp freely and willingly gave his time and energy to popularize collegiate wrestling.

TREV ALBERTS

Vice Chancellor, Director of Athletics Second Season Nebraska (1993)

A veteran administrator and College Football Hall of Famer, Trev Alberts is entering his second year as Vice Chancellor, Director of Athletics at the University of Nebraska in 2022-23. Alberts, who was hired on July 14, 2021, returned to his alma mater after spending 12 years at Nebraska-Omaha, guiding the program through a successful transition to the Division I level.

In his first season at Nebraska in 2021-22, Alberts helped the Huskers navigate the ever-changing landscape of Name, Image and Likeness guidelines for the benefit of Nebraska student-athletes. He led the development of the N-Vest Nebraska program to award \$5,980 per year to student-athletes who meet academic benchmarks.

Alberts also spearheaded the charge to complete the fundraising for Nebraska's Go Big Project, which will provide Nebraska football with a new facility scheduled to open in the summer of 2023. The project will also house academic, life skills, nutrition and support services for all Nebraska student-athletes.

A tireless worker who puts both the interests of student-athletes and fans first, Alberts helped orchestrate a qualitative survey of Nebraska's fan base to help shape the future of Memorial Stadium's game-day atmosphere.

Alberts has also focused much of his time on developing the first strategic plan for Nebraska Athletics in 15 years. He has also committed himself to providing intense support and a unifying vision for Nebraska's coaches across all sports.

Nebraska's athletic achievements in 2021-22 included top-five NCAA finishes from Husker volleyball, wrestling and men's gymnastics programs, while the NU women's basketball and softball teams enjoyed breakout seasons that concluded with trips to the 2022 NCAA Tournament. The women's track and field team added a 14th-place finish at the NCAA Outdoor Championships - its best showing since 2006.

Academically, Nebraska student-athletes continued to shine with a school-record 95 percent graduation rate across all sports.

Alberts' tenure leading UNO athletics was marked by successes in competition and in academics; by transitioning the university's athletic programs to NCAA Division I in 2011; and by establishing new homes for many UNO athletics teams, including Baxter Arena, the Maverick Park baseball/softball complex and the soccer pitch at Caniglia Field.

Alberts took the bold step in announcing that Omaha would reclassify from Division II to Division I in all sports in 2011 and simultaneously securing conference affiliation with the Summit League for all of the department's then-Division II programs. His vision for UNO's reclassifying teams was demonstrated

even before the four-year transition period had ended. The Omaha baseball team won back-to-back Summit League regular-season championships in 2013 and 2014, while the men's basketball team made its first Division I postseason appearance in 2014 with a berth in the CollegiateInsider.com Postseason Tournament.

During UNO's time in the Division I ranks under Alberts tenure, the Mavericks had six teams and four student-athletes qualify for the NCAA Tournament, including hockey advancing to the Frozen Four in 2015 and men's soccer reaching the second round of the NCAA Tournament in the spring of 2021. He also expanded opportunities, adding men's golf and men's soccer in 2011, and Omaha began a men's swimming and diving program in 2021-22.

Throughout his tenure in Omaha, Alberts was focused on enhancing the student-athlete experience, including the construction and staffing of the Hamilton Academic Excellence Room and the development of the Ethel S. Abbott Student-Athlete Development Wing. Those efforts paid off in Nebraska-Omaha student-athletes posting consistent collective semester grade point averages above 3.3 for 18 consecutive semesters, including at least a 3.5 in each of his final three semesters.

The facilities around Omaha Athletics received a major uplift during his tenure. Maverick Park opened in March of 2021 to rave reviews as the home to the Mavericks' baseball and softball programs. Funding for the complex, which includes a 1,500-seat baseball facility and a 650-seat softball facility, were raised privately and provided both programs a permanent on-campus home for the first time.

Another crowning achievement was the opening of Baxter Arena in 2015. Alberts directed efforts to secure community support and funding to build the on-campus arena, which allowed the nationally prominent hockey program to play on campus and also serve as the home of the men's and women's basketball and volleyball programs. Caniglia Field underwent renovations in 2012, making it one of the finest collegiate soccer facilities in the country, highlighted by a FIFA 2-star rated playing surface and one of the largest LED videoboards in a soccer-only college facility.

Alberts' work on behalf of hockey, UNO's established Division I sport, also paid dividends. He successfully guided the Mavericks into the new National Collegiate Hockey Conference in 2013-14. The following year, Omaha reached the 2015 NCAA Frozen Four.

In addition, Alberts and his team led Omaha Athletics into a partnership with Learfield, a national leader in the marketing of collegiate athletics, and developed Omaha Sports Properties. As the exclusive corporate sponsorship sales unit for UNO Athletics, Omaha Sports Properties further enhanced revenue and increased brand prominence locally, regionally and nationally.

As part of UNO's reclassification to Division I, Alberts oversaw the rebranding of UNO athletics with new primary and secondary logos and a greater focus on strengthening the Maverick brand both regionally and nationally.

As a student-athlete, Alberts was an All-American on and off the football field as a Husker Blackshirt. He was Nebraska's first Butkus Award winner in 1993, helping Coach Tom Osborne's Huskers to an undefeated regular season and an Orange Bowl appearance against Florida State. A first-team All-American by every major publication in 1993, he was also the Football News National Defensive Player of the Year, the Big Eight Male Athlete of the Year, and the Big Eight Defensive Player of the Year. His No. 34 jersey was retired at the 1994 Red-White Spring Game. In 2015, he was elected to the College Football Hall of Fame.

Off the field, Alberts earned the NCAA's highest honor, The Today's Top Six Award. A three-time Academic All-Big Eight honoree, he was a CoSIDA Academic All-American in 1993. He graduated from Nebraska before his senior season.

Alberts was the fifth pick in the 1994 NFL Draft by the Indianapolis Colts and played for the Colts until 1996. Following his NFL career, he served as an analyst on college and professional football games for major national networks, including ESPN, CNN/SI and CBS Sports Network.

Alberts and his wife Angela have three children - Chase (and his wife, Cassie), Ashtynne and Breanna.

BIG TEN CONFERENCE

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 125 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse over the last four years. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century. In January 2014, Michigan State defeated Stanford in the 100th Rose Bowl Game.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. For more than 100 years, it has been the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of six men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971, Jim Delany in 1989, and current commissioner Kevin Warren in 2020.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produced over \$10 billion in funded research, \$5 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

Kevin Warren
Commissioner

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,800 events across all platforms each year. BTN is in almost 60 million homes in the U.S. and Canada via the nation's major video providers and more than 300 additional video providers across the country. BTN is also available through the majority of OTT providers, and via the Fox Sports App, which delivers live and on-demand programming to computers, smartphones and tablets. In addition, the BTN+ platform streams hundreds of events each season.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

On June 3, 2013, the Big Ten announced that Johns Hopkins University had been accepted as the conference's first sport affiliate member. Johns Hopkins' addition in men's lacrosse gave the Big Ten six institutions sponsoring the sport, allowing the debut of men's lacrosse as an official conference sport and building on the Big Ten's tradition of broad-based sports competition. On June 17, 2015, the conference announced that Johns Hopkins was accepted as a sport affiliate member for women's lacrosse beginning with the 2016-17 academic year. On March 23, 2016, the conference announced that Notre Dame would be joining the Big Ten for men's ice hockey beginning with the 2017-18 academic year.

Since opening in the fall of 2013, the Big Ten conference center hosts more than 300 meetings annually for member institutions, Big Ten Academic Alliance (formerly CIC) related committees and coaches' groups. The headquarters also features an interactive digital museum — the Big Ten Experience — which brings the conference's storied academic and athletic history to life. For more information on the Big Ten Experience, go to bigten.org.

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Warren and his staff work to meet the educational needs of student-athletes to allow them to excel in all areas of their lives. The conference office manages 27 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of more than 2,000 events annually, provides staff services to coaching and administrative personnel, and remains a vital resource for media and fans seeking information on the Big Ten.

During his first year, Warren helped spark a number of groundbreaking conference initiatives. On March 7, 2020, in advance of the rising tide of the COVID-19 pandemic, the conference partnered with all 14 of its member institutions to create the Big Ten Task Force for Emerging Infectious Diseases. This group was formed to provide counsel and sound medical advice to ensure the health, safety and wellness of the Big Ten's students, coaches, administrators and fans. It includes representatives from a diverse set of disciplines across campus healthcare systems and schools of public health and their input serves as a resource for the conference in making important decisions based on information received from local, state and federal health departments, along with the NCAA.

Less than two months later on May 4, 2020, the conference announced the formation of the Big Ten Mental Health and Wellness Cabinet, featuring representation from all 14 member institutions, as well as sport affiliate members Johns Hopkins (men's and women's lacrosse) and Notre Dame (men's ice hockey). The goal of the cabinet is to promote optimal mental health for Big Ten student-athletes through a comprehensive, systemic and interdisciplinary approach to establishing mental health programs, while also providing counsel, advice and expertise to the conference office.

Following the death of Minneapolis resident George Floyd, Warren penned an open letter on June 1, 2020, announcing the formation of what became known as the Big Ten Equality Coalition. This group, which features student-athletes, coaches, athletic directors, chancellors, presidents and other members of the Big Ten family from all 14 member institutions, has a stated goal of seeking tangible ways to actively and constructively combat racism and hate around the world, while also empowering student-athletes to express their rights to free speech and peaceful protest. The United States Library of Congress selected Warren's open letter for inclusion in its historic collection.

A product of the conversations emerging from the coalition was the creation of the Big Ten Voter Registration Initiative. This non-partisan, conference-wide collaboration encourages student-athletes to take part in the electoral process and is led by a Voter Registration Committee that includes representatives from all 14 Big Ten institutions. The Voter Registration Committee has partnered with the National Lawyers' Committee for Civil Rights Under Law to develop educational programming and outreach tools, and to collaborate with other established civic platforms.

More than 125 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

For information regarding credentials, interviews, statistics, etc., please call the Communications Office at (402) 472-2263, visit Huskers.com or e-mail Athletic Communications Intern Meghan Straub; (402) 430-4677. Below are guidelines for covering NU in-season.

MEDIA CREDENTIALS

Working members of the media can gain access to a media or photo credential by contacting Meghan Straub.

BOB DEVANEY SPORTS CENTER/ HENDRICKS TRAINING COMPLEX

Nebraska's home meets will be held at the Bob Devaney Sports Center on Nebraska's campus. The wrestling team practices at the Hendricks Training Complex, which is located on the southwest side of the Devaney Center. The Devaney Center is located on the west edge of Nebraska's Innovation Campus. To reach it from the Lincoln Municipal Airport, turn right on Northwest 12th Street as you drive out of the airport. Northwest 12th Street becomes Cornhusker Highway, which intersects with 14th Street. Exit south on 14th Street off Cornhusker Highway. Travel to Military Avenue and turn left. Continue a half mile and enter Innovation Campus. Take the first right turn before the Devaney Center and follow the access road to Lot 4 on the South Side of the arena. From Omaha's Eppley Airfield, follow the signs to downtown Omaha and I-480. Take I-480 West to I-80, then take I-80 West approximately 60 miles to I-180. Exit South on I-180, then exit East to Cornhusker Highway and follow the instructions above.

MEDIA PARKING

Parking for working media covering duals at the Devaney Center is available. Contact Meghan Straub for details.

PRESS ROW/MEDIA WORK ROOM

Limited press seating is available during wrestling matches at the Devaney Center. Please contact the week before the competition with your coverage plans so that accommodations may be made. Due to local health guidelines, media seating will be adjusted as necessary. Information on specifics for media who wish to cover Nebraska wrestling will be communicated separately.

MEDIA SERVICES

Weekly notes and media guides will be provided before each dual. Final results and play-by-play synopsis will be available following each dual in the press room. A communications representative will be in the working media room on the south side of the Devaney Center until all writers have filed.

PHOTOGRAPHERS

All working photographers in the Bob Devaney Sports Center must display their working credentials. No flash or strobe photography is allowed.

INTERVIEW POLICY

All media requests for interviews with Nebraska wrestlers and coaches should be directed to at least one day in advance. The best time for in-season interviews is after practice at the Hendricks Training Complex, which generally runs from 8-10 a.m. With advance notice, interviews can be arranged for other hours. Wrestlers are usually available for telephone interviews early afternoons and evenings, depending on class schedules. Interviews with Coach Mark Manning should be coordinated through Meghan Straub. Nebraska wrestlers and coaches are generally available on the gym floor immediately following a five-minute cooling-off period after the competition has concluded.
